

Rainbow Crow Bingo

Note to parents and teachers: The rules for this game are similar to an ordinary bingo game. Call out a word. The child places a cut-out crow (see next page for cut-outs) or an actual dry food item like a small cracker or a cereal “O” onto the called-out word. It is okay to help the child find the words, especially if he’s a new reader. The child wins the game by covering all the words. (Snack on the winnings! Okay, not the paper cut-outs.)
